

# Trunk Mats

CNC Cut Trunk Mat

Molded Trunk Mat

When restoring your classic, be sure to include an ACC Trunk Mat. Precisely molded or CNC cut in 6 different materials and over 40 patterns, ACC trunk mats are designed to be an exact replacement for your OEM material. Our Trunk Mats are designed with show-quality standards in mind and bring back the original look of your trunk. ACC offers the largest application selection of Trunk Mats for your restoration project and sets the industry standard. Available in six premium materials: Vinyl, Burtex, Foam, Fleece, Felt and Cardboard.

- > Die-Cut or Molded
- > Six material choices
- > Over 40 patterns
- > Largest application listing in the industry
