Auto Custom Carpets, Inc.

World's Leading Manufacturer of Automotive Replacement Carpet

Auto Custom Carpets, Inc.

Jack Holland,
Founder

Ken Howell,
President and CEO

ACC was founded by Jack Holland and incorporated in October of 1977. Jack had been in the auto trim business for many years before starting Auto Custom Carpets. He started out by purchasing the carpet used in the molding operation from OEM suppliers such as Collins & Aikman, J.P. Stevens and Masland. In April of 1984 he purchased Academy Carpets, Inc. in Dalton, GA and began tufting his own carpet. In January of 1986 he purchased the plant that was formerly operated by the Automotive Division of E.T. Barwick Mills. For many years, this plant was a prime carpet supplier to General Motors and Chrysler Corporation. The first molded carpets used in the automotive industry were developed at this plant in 1958. By purchasing this plant, ACC was not dependent upon any supplier for its carpet needs.

In 1995, a management group consisting of Ken Howell, John Mahlendorf, Jeff Moses and George Miller purchased the company from Mr. Holland. In April of 1998 the other three stockholders purchased George Miller's stock. The company acquired Jeff Moses' stock from his estate following his untimely death in February of 2001. In 2002, the company established an Employee Stock Ownership Plan (ESOP). The ESOP was put in place to acquire John Mahlendorf's stock thus allowing him to retire. This leaves Ken Howell as the only remaining member of the 1995 buyout and the majority stockholder. The ESOP allows each ACC employee the opportunity to take ownership and pride in the company.

ACC acquired Auto Carpets Systems (ACS) in September 2007. This acquisition allowed ACC to become an even stronger automotive flooring company with greater capabilities.

Today, Auto Custom Carpets, Inc. employs over 150 workers across two states and five locations. Our corporate office is located in Anniston, AL. We also have three production facilities in Anniston and one in Lafayette, GA. We offer over 25,000 flooring applications to fit vehicles ranging from the 1940's to current day models. Each is offered in its original color and material and is custom made to meet or exceed OEM specifications. Most orders are produced and shipped within 24 to 48 hours.

Flooring

Carpet flooring is at the heart of what Auto Custom Carpets, Inc. is about. From cut & sewn sets for the early models to precisely molded sets for later models, we offer over 15,000 styles to fit vehicles from the 1940s to the present—all of which are available in their original material and color. No interior restoration project is complete without an ACC carpet.

- Molded for a perfect Fit (some trimming will be required)
- Finest fit and materials available in the aftermarket
- Original style heel pad
- Padding comes standard on most

Essex Nylon Tuxedo GrosPoint Cutpile TruVette Daytona Loop

SOUND DEADENERS

Sound Deadeners help insulate your vehicle from road noise and engine heat. They are available in Pad, EVA, Mastic with Pad, and Foil with Pad, and are custom made to fit each model perfectly. ACC sound deadeners meet federal standards for flammability retardation. It's the perfect beginning when replacing your carpet and to increase its durability.

Flooring

MOLDED VINYL FLOORING

There are times when carpeting is not the appropriate floor covering for a vehicle. From the pickups and SUVs that spend their time off-road or at the construction site to taxis shuttling people through the city, ACC vinyl flooring is the heavy duty alternative.

- Duplicates original pattern
- Vacuum molded
- Easy installation
- Easy cleanup
- Heavy duty

Available in 4 colors pictured here:
Beige, Black, Blue and Gray

HUSHMAT®

We are proud to offer HushMat® as a Sound Deadening material option. HushMat® is a vibration damping, thermal insulation sealing, and sound absorption material. It is formulated to eliminate noise caused by engine, structural vibration, tire and road noise. HushMat® materials also serve to reduce the thermal transfer from engine exhaust, and local ambient weather into the interior of your automobile.

- Reduces noise by over 50%
- Reduces heat by over 70%
- Odorless even when hot
- Simple peel and stick application
- Won't cut your hands, unlike the competition
- No more acetone or alcohol surface preparation

HushMat®

Available in 10-piece
and 20-piece kits

MASS BACKING OPTION

- Great sound and heat barrier
- Increases the overall look of the carpet after installation
- Add-on option for most any Molded Carpet
- Approximately 45 mil thick EVA material

Two backing choices are available for molded Carpet. Poly backing is standard for most applications while Mass backing is an excellent upgrade option. Mass backing extends the carpet life while further insulating the interior.

Trunk Mats

We manufacture our trunk mats from the original materials in the correct patterns, styles and colors. They are available in fleece, felt, foam, vinyl and Burtex. Our vinyl mats are printed on 6.5 ounce heavy vinyl and then are die-cut or vacuum molded for a perfect fit. We have carefully duplicated many of the popular trunk mat patterns to exceed OE recommendations.

Floor Mats

We offer more than 230 embroidered logos to choose from, and all our logos are fully licensed by OE Manufacturers. Our engineers have designed our logos to meet or exceed OE specifications and to outlast the competition. Visit www.accmats.com to see larger images and recently added logos. NOTE: Actual logo colors may be slightly different than what you see in this catalog due to printing limitations that make accurate color duplication impossible.
